DSL Twin Tail Retractable Lanyard #90522

P+P Product Code

90522

Description

Twin legged retractable lanyard suitable for arresting potential falls. The lanyard comprises dual retractable elements, which allow users to minimise free fall distances by careful selection of anchorage points. Designed to connect to the rear harness fall arrest point via the screw link connector and locates on the harness via the Velcro closings on the energy absorber pack.

Material Specification

Webbing

Attachment Points

Steel Snap Hook

Total Length

Standards

EN360:2002
